### **REVIEW OF STERILISATION PERFORMANCE (UPTO MARCH - 2013)**

- I During the Financial Year 2012-2013 (Upto March 2013) Tamil Nadu has performed 3,16,990 cases out of 3,65,000 Expected Level of Demand under sterilisation. There is a decrease of 22,855 Sterilisations, compared to the previous year corresponding period of achievement. The performance of Vasectomy is 1524 as against 1901 of the last year corresponding period and which is in decreasing trend.

- II During the year 2012 - 2013, the ELD under sterilisation for the entire State is fixed as 3,65,000. **Kanyakumari District stands first in Sterilisation performance Upto March 2013 followed by Ariyalur and Vellore Districts in the second and third rank respectively** against their ELD. Except Kanyakumari district, none of the districts have achieved their ELD.
- III **The performance is less than the state average of 86.8% of Annual Expected level of demand in Thiruvarur, Perambalur, Dharmapuri, Pudukottai, Cuddalore, Trichy, Salem, Thanjavur, Madurai, Krishnagiri, Karur, Thiruvannamalai, Thoothukudi, The Nilgiris, Kancheepuram, Chennai, Sivagangai and Namakkal districts.** More number of camps should be planned and conducted effectively to set right the backlog.
- IV When compared with last year's (Upto March 2012) sterilisation achievement at the State level, there is a decrease of 22,855 sterilisation operation. Except Thiruvallur and Ariyalur **districts, all the other districts have shown backlog in sterilisation.** The involvement of District officers is very much required to improve the sterilisation performance in their Districts. Critical review should be conducted by the District officers and the minutes should be sent to the medical officers of poor performing institutions to improve the performance.
- V Perambalur and Ariyalur districts have performed NSV in single digit only upto March 2013. When compared to last year vasectomy performance, there is a backlog of 377 vasectomy cases. Through effective and enhanced IEC activities and with the active involvement of all the staff members, more number of NSV and Laparoscopic camps can be organised with productive results in the NSV and sterilisation performance.
- VI The compensation amount should be paid to sterilisation acceptors before the discharge from the hospitals. **The F.W programme should not suffer due to the non payment of the Surgeon/Anaesthetist/Paramedical fees or Motivator fees.** The labor ward staff nurses and ANMs / HVs of Government hospitals should motivate the mothers with 2 and above children to accept tubectomy so as to improve the delivery coverage and also to reduce the Higher Order of Births and the Motivator fees should be disbursed by the first week of the succeeding month as per guidelines issued by this Directorate.
