3. The Director of Drug Control letter No.RC7964/2010/E4, dated 19.07.2011 and 27.08.2011.
4. G.O. (D) No.197, Health and Family Welfare Department, dated 04/08/2011.

ORDER:

In the Budget 2011-12, the following announcement has been made on the floor of the Legislative Assembly:-

"The State Government has decided to form a separate Commissionerate for Food Safety and Drug Control Administration as stipulated in the new Act. Food and Drug Control labs will also be upgraded and modernized. This Government is proposing to set apart Rs.50 crores for this purpose".

2. In Tamil Nadu, Prevention of Food Adulteration Act, 1954 was being implemented in both rural and urban areas by the Department of Public Health and Preventive Medicine. The Prevention of Food Adulteration Act 1954 has been repealed with Food Safety and Standards Act, 2006 (Central Act No. 34 of 2006) by Government of India. Food Safety and Standards Rules, 2011 have also been framed and the said Act and Rules have come into force with effect from 5th August 2011.

3. The Government of India has enacted Food Safety and Standards (FSS) Act, 2006 which emphasizes the need for a structure exclusively for the Food Safety.

A series of incidents occurred in the past in Tamil Nadu by which consumers were put to grave health risks through sale of adulterated and expired food products as well as expired drugs. A series of raids were organized by the Civil Supplies and Consumer Protection Department in collaboration with Health Department to seize expired food products sold in the markets in various districts across the State. Substantial quantities of expired meat, processed food, soft drinks, etc., were seized and destroyed. A major expired-drugs racket was busted by the Drug Control Department in collaboration with the Police Department. In order to protect consumers who are at a grave risk to health, a Committee was constituted in G.O. (Ms). No.203, Health and Family Welfare Department, dated 21.07.2010 under the Chairmanship of Thiru.K. Rajaraman, formerly Commissioner, Civil Supplies and Consumer Protection Department with Director of Public Health and Preventive Medicine, Joint Director of Public Health and Preventive Medicine incharge of Prevention of Food Adulteration Act, Director of Drugs Control, Commissioner for Municipal Administration or his nominee, Director of Town Panchayat or his nominee, Director of Rural Development and Panchayat Raj or his nominee and a nominee of the Principal Secretary, Finance Department, Chennai as Members as decided in the meeting held on 3.6.2010 chaired by former Chief Secretary.

4. The Committee after studying the system in force in Maharashtra and Gujarat gave its report on 23.12.2010 and the Committee, among other things has made the following recommendations:-

- i. Merger of the existing Food Safety Wing of the Directorate of Public Health and Preventive Medicine and the Department of Drugs Control and formation of a new Tamil Nadu State Food Safety and Drug Administration (TNFS&DA) Department.
- ii. Since the two systems are related and function under two different Acts, they can function under one umbrella organization: "Tamil Nadu Food Safety and Drug Administration Department".
- iii. A senior super time scale IAS officer may be posted as State Commissioner of Food Safety for the newly proposed Tamil Nadu Food Safety and Drug Administration Department and he may be notified as the State Food Safety Commissioner under the Food Safety and Standards (FSS) Act, 2006. The Drug Controller is a technical post under the Drug & Cosmetics Act, 1940 and the Drug Controlling Authority under the Drug & Cosmetics Rules, 1945 may continue to be designated as Director and he will function under the administrative control of the Commissioner, Tamil Nadu Food Safety and Drug Administration Department.
- iv. Tamil Nadu Food Safety and Drug Administration Department under the Commissioner would be having the following two wings:-
 - a. Drug Control Division headed by a Director (Drug Control)
 - b. Food Safety Division headed by a Director, Food Safety who would be a Food Safety and Nutrition specialist.

3

5. The Government of India has informed this Government that the Prevention of Food Adulteration Act will be repealed by 4th August 2011 and the new Food Safety and Standards Act 2006 (Central Act) and Rules 2011 will come into force with effect from 05.08.2011. Accordingly, in the order fourth read above, orders have been issued notifying the Principal Secretary to Government, Health and Family Welfare Department as Commissioner of Food Safety for the State as stipulated in Section 30 of the Food Safety and Standards Act and Rule 2.1.1 of Rule 2011. The Designated Officers at the district level and Food Safety Officers for Urban and Rural areas have also been notified to implement the above Act and Rules in Tamil Nadu.

6. The Director of Public Health and Preventive Medicine in his letters second read above has submitted proposals for establishment of Food Safety Commissionerate at the Headquarters, Designated Offices in the Districts, appointment of Adjudicating Officers and Food Safety Officers for both rural and urban areas, strengthening of existing Food Analysis Laboratories with additional man power and establishment of Food Safety Appellate Tribunal indicating posts to be sanctioned together with the recurring and non-recurring expenditure. Similarly the Director of Drug Control in his letters third read above has submitted proposals for creation of posts to strengthen the Drug Control Wing and the Drug Testing Laboratories with sanction of new posts indicating the recurring and non-recurring expenditure. The estimated expenditures proposed by them are as below:

Food Wing:

Recurring expenditure	-Rs.64,23,14,080
Non-recurring expenditure	-Rs. 3,81,46,000

Drugs Wing:

Recurring expenditure	-Rs. 3,03,15,288
